

HOW TO USE OUR SSDU: Self Service Distribution Units

ENTER KENNARDS

1

Upon arrival at the Kennards gate, enter * followed by the supplied 6-digit code and then a #

At the Firex SSDU unit, enter the 4-digit PIN xxxx into the alarm panel. The alarm panel will turn GREEN – Press & HOLD the GREEN button.

2

ENTER FIREX SSDU

CHOOSE YOUR PRODUCTS

3

Once inside, the LIGHTS will come on and the CAMERAS will start automatically. Select your order using the product codes.

To close the Firex SSDU roller door, PRESS & HOLD the RED button until the door is closed. The alarm activates and the Firex PIN is disabled.

4

LEAVE FIREX SSDU

Depart Kennards using * followed by same 6-digit code and #.

COME BACK ANYTIME

5

Firex SSDUs are open 24x7, 365 days a year - Visit when you like, where you like. It's the Firex difference.
