

HOW TO USE OUR SSDU: Self Service Distribution Units

ENTER KENNARDS

1

Upon arrival at the Kennards gate, enter * followed by the supplied 6-digit code and then a #

At the Firex SSDU unit, enter the 4-digit PIN xxx into the alarm panel. The alarm panel will turn GREEN. Press the GREEN button.

2

ENTER FIREX SSDU

CHOOSE YOUR PRODUCTS

3

Once inside, the LIGHTS will come on and the CAMERAS will start automatically. Select your order using the product codes.

To close the Firex SSDU roller door, PRESS the GREEN button until the door is closed. The alarm activates and the Firex PIN is disabled.

4

LEAVE FIREX SSDU

Depart Kennards using * followed by same 6-digit code and #.

5

Firex SSDUs are open 24x7, 365 days a year - Visit when you like, where you like. It's the Firex difference.
